

Is Your Home Drafty?
Is your heating bill out of control?

Energy Conservation Workshop

Please join us on one of the following dates for Center in the Park's Weatherization Workshop:

Tuesday, January 23, 2018 at 10am

Tuesday, February 13, 2018 10am

Tuesday, March 13, 2018 at 10am

This workshop will include:

- Demonstrations on how to install weatherization material
- Discuss rising energy costs
- Provide information for conservation and assistance programs, and ways to get Tax Credits for improvements

Weatherization material will be provided FREE to all eligible participants
